

Kentucky Association County Engineers and Road Supervisors KACERS

From May 2019 to April 2020

We have 37 out of 120 counties represented. 40 individuals, 9 agency and 3 LTAP members
Semi annual meetings were held on October 23, 2019 in Louisville, Ky. and February 5, 2020 in Lexington, Ky.

Lunch and learn meetings were held on;

Bridging Ky. restore, renew and replace.

The use of drones and how they can help.

Tour of the Forterra Concrete Plant.

Tour of ATS asphalt plant.

Notable achievements:

increase of agency members from 3 to 9.

Increase of individuals from 15 to 40.

Using the LTAP program with out them we could not do what we do.

Events:

Attending the KACO, KACJ.

Issues:

Budget crunch how to do more with less.

National:

Safety how to achieve zero deaths, safety rider program.

Concerns:

How do we continue to serve the public with also taking steps to prevent the spread of virus.

Leo McMillen delegate for Kentucky and treasurer for KACERS. April 18, 2020
