

NACE ANNUAL STATE REPORT

State Association Name: New York State County Highway Superintendents Association

For year of 2020

Number of Counties: 62 (including 5 NYC Boroughs)

Number of State Assoc. Members: 51 Counties and 121 Affiliate members

Paid Member Counties: 37 (number down during COVID year)

Number NACE Members: 8

State Annual Meeting/Conferences held at:

- Winter Conference & Trade Show, January 21-23, 2020, Saratoga Springs, NY
- Virtual Winter Conference & Trade Show, January 19-20, 2021

Other significant meetings held during the year:

- Advocacy Day, March 3-4, 2020, Albany, NY
- Local Roads Are Essential Virtual Rally & Advocacy Briefing, March 3, 2021

Notable achievements of State Association and/or Individual members: *Our Association's advocacy efforts resulted in a record 32% increase for state funding of local roads in 2021.*

Important events in which State Association participated during year: *Participated in many virtual advocacy events and PDH Trainings after COVID-19 cancelled in-person activities.*

Issues and topics of particular importance for which action and efforts of State Association were directed during the year:

State Issues: *Bridge and Highway Advocacy Efforts, Local Design Services Agreement Consultant Selection, Participated in Bridge NY Project Application ranking process, Local Road Safety Plan Initiatives, Provided PDH Training to members and affiliates.*

National Issues: *The chairperson of the NACE Safety and Technology Committee is from NY. Efforts were made to promote safety on a national basis, both for Local Road Safety Planning and Safety Education.*

Ideas/concerns to share with other NACE Members: *We need to continue to promote safety efforts, but also need to promote a new federal infrastructure funding bill.*
