

KITTSON COUNTY

Minnesota

Position: County Engineer

Salary Range: \$110,000 to \$140,000

Kittson County is nestled in Minnesota's northwest corner on the borders of North Dakota and Canada, just below Canada's province of Manitoba. The Lancaster-Tolstoi Border Crossing connects Kittson County's City of Lancaster, Minnesota, and the community of Tolstoi, Manitoba, on the Canada-United States border. Winnipeg, Manitoba, is a short 90-minute drive north of Kittson County.

The County is home to approximately 4,260 residents, and the City of Hallock serves as its county seat. Kittson County boasts a low cost of living, great outdoor recreational activities, nationally ranked educational opportunities, and comprehensive medical care.

General Duties

The County Engineer serves as the department head for the Highway Department providing leadership and direction related to operations and services within the County. The position plans, directs, and coordinates all County road, bridge, ditch, and trail engineering, construction, and maintenance projects.

Minimum Qualifications

A bachelor's degree in Civil Engineering, or related field, and four years of directly related professional experience, or an equivalent combination of education and experience. Professional Engineering Minnesota License within six months of employment and a valid MN Driver's License are required.

Apply

Visit <https://daviddrown.hiringplatform.com/55367-kittson-county-engineer/186711-application-form/en>, and complete the process by March 17, 2021. Finalists will be selected on March 19, 2021, and final interviews will be held on April 6, 2021.

The County will consider reimbursing moving expenses up to \$5,000.
